ABOUT US

Chuang Pu Technology Co., Ltd. was established in 2005 in Fengyuan, Taichung. With 20 years of experience in mechanical sheet metal design and manufacturing, we are committed to delivering quality products, reliable service, and innovative technical solutions. Over the years, our integrity-driven approach has built long-term customer relationships across products, technology, and service. Our manufacturing experience includes semiconductor frames, semiconductor enclosures, and machine-tool sheet metal components.

MISSION & VISION

MISSION

Develop people, improve efficiency and quality, and become a professional full-service sheet metal design and manufacturing partner with distinctive value.

VISION

Guided by integrity, professionalism, and innovation, we pursue vertical integration through end-to-end manufacturing and assembly to shorten supply lead times and create lasting customer value.

SERVICES
服務項目

- Semiconductor Frames
- Semiconductor Enclosures
- Machine Tool Sheet Metal
- Solar Battery Enclosures
- Electrical Cabinets
